At the May TCB board of directors meeting it was decided there would not be a regular meeting in June but we will have a bonfire at Scott and Stacy's house after the races on Friday, June 12th, 2009. We will be doing the Sprint Car Push offs. If you want to help but do not have a push bar yet, contact Tim Krueger at (920)410-2348 or Mud-Dawg@new.rr.com and Tim will help you get one set up for your truck.

**The next regular meeting** will be **July 8th, 2009 at 7:00 pm** at the Rodeo Bar and Grill on II in Neenah.

**Dues are past due**, if you do not remember if you paid contact Dawn Krueger, Secretary, and she can help you, (920)420-2348 or TKrueger5@new.rr.com.

## **MW4WDA**

There was a good turnout for the spring convention. We met some new people from IOWA and everyone appeared to have a good time. The Fall Convention will also be in Black River Falls, more info to follow soon.

## **W4WDA**

As most of you know approximately five years ago a new Wisconsin Association was formed going by the name of Wisconsin Off-Highway Vehicle Association. Since that time there have been many things happening in the state and the 4 x 4 community as a whole has been looked at as a group who cannot work well with others. So at the W4WDA delegates meeting in Black River Falls in April it was

voted on to join WOHVA as an Association and WOHVA would in turn be given an association membership in W4WDA. We all have similar goals and by coming together in this manner we will be able to accomplish much more than trying to remain completely separate from each other. If you wish to discuss this matter further you may contact Chris Hannis, W4WDA President.

## **Spring Fling**

This years event was held at Northwoods Overland, near Rib Lake. We tried to use this as a way to help cut some new trails at the new park. Only three trucks turned out for this event, two of which were from our club, thanks Mike and Chris Hannis for representing TCB.

## **Green Bay Highriders Mud Drags**

Amanda Cottrell, Tim and Dawn Krueger and Tim and Dawn's children Corey, Jordan, and Vicki all went up to Oneida to help out. We all had fun and it reminded Tim and Dawn how much they miss Mud-racing.

## **UFWDA**

No one from TCB was able to attend this event however W4WDA is well represented in Texas as Rod and Luana Schneider and Bob and Frances Mickelson were all planning to attend. In case you have forgotten or were not present the night we voted on this we have decided to stay members of UFWDA as a club but not as individuals.
